## As If by Magic

Emerging from my world Imagine living in a box And I won't come up Until I've broken all the locks Slurring all my words Until something sticks But in this smoky universe My mind keeps playing tricks

And although, you're the only home I know As if by magic, thoughts of you are gone And now, I'm keeping my head in the clouds And it's not so tragic, if I don't look down oo-oo-oo-oo-oooooo (2x)

Submerging from your world And back into my bliss A day rolled into one Is burning on my lips Blurring all your words Until they don't exist And in a parallel universe It's me you can't resist

And although, you're the only home I know As if by magic, thoughts of you are gone And now, I'm keeping my head in the clouds And it's not so tragic, if I don't look down oo-oo-oo-oo-oooooo (2x)
