

## Insane With Love

LAB

Ain't I tame?  
Baby, ain't I tame?  
I am too melt on your face again  
You're my name  
Come crush me, bend me tame  
Don't let my lips lie I'm not your prayer  
Come, beg and drain me!  
Come crush me, kill me, tame me!  
Whooo beg and waste me!  
Give me a day insane with love  
Ain't I tame?  
Baby, ain't I tame?  
I am too glid down you legs again  
Shut my brain  
Don't let me think today  
This world will end us, but not today

Come, beg and drain me!  
Come crush me, kill me, tame me!  
Whooo beg and waste me!  
Give me a day insane with love  
Let me in  
Let me slowly just die  
Let me in  
Let me slowly just die in your whirl  
Come, beg and drain me!  
Come crush me, kill me, tame me!  
Whooo beg and waste me!  
Give me a day insane  
Come, beg and drain me!  
Come crush me, kill me, tame me!  
Whooo beg and waste me!  
Give me a day insane with love
