

## My Halo Ground

Lacrimas Profundere

Breathe -  
I cannot see clear what I have now  
Seek -  
For disconnected meaning in life  
Where can I find meaning?

Is the rain drowning me?  
I see circles -  
My halo ground

Is the flood freezing me?  
I feel paralyzed  
Charged for nothing

Sleep  
To withdraw the fear I'm carrying 'round  
Love  
This self-constructed being

Where can I find meaning?  
Where can I?  
Where can I find meaning?  
Where can I?
