Wave of Anguish

Lacuna Coil

There is something weird I wouldn't believe I'm losing grip on my lifetime I don't understand this wave I'm in Wrong place, no money, just responsibilities

My heart and my wish are so far away I'm alone now Feeling the slow beat turning fast No longer breathing I'm returning in my own hell

I don't want to go Hold me into your arms so tight You cannot see You'll see it

In another world Hold me into your arms so tight You cannot see it You'll see

There is something strange You've got to believe It's taking away my sunshine I don't understand this wave I'm in Wrong face, no money, just responsibilities
