

# Mansion

Lady A

I like nice things  
I like diamond rings  
I like Malibu beach sights  
Sleeping by your side, California king

I like it downtown, valet  
Dressed up out there in the city  
No, I ain't got nothing against things that are pretty

Oh, I don't need a mansion  
Sitting high up on a hill  
No, I don't need a man that  
Shows his love with dollar bills  
Don't need a fancy fast car to come and pick up my heart  
And ride off into the blue  
No, I don't need a mansion  
Baby, I just need you  
I just need you  
I just need you

I want your love  
Just the way it is  
You ain't gotta dress it up, like Hollywood love  
'Cause we already rich

I'm talking no frills, stripped down, real deal  
The kind that you can't fake it  
Yeah, you can wine and dine me all night  
But baby I'm just saying

Oh, I don't need a mansion  
Sitting high up on a hill  
No, I don't need a man that  
Shows his love with dollar bills  
Don't need a fancy fast car to come and pick up my heart  
And ride off into the blue  
No, I don't need a mansion  
Baby, I just need you  
I just need you  
I just need you

Come on and hold me tight  
Give me your affection, your attention  
I want you to know tonight  
As long as I got you there's nothing missing

No, I don't need a mansion  
Sitting high up on a hill  
No, I don't need a man that  
Shows his love with dollar bills  
Don't need a fancy fast car to come and pick up my heart  
And ride off into the blue  
No, I don't need a mansion  
Baby, I just need you  
I just need you  
Baby, I just need you
