Mi tell a gyal seh no tek mi man  
Cause him naw go stay wid she  
Shi never listen to a word weh mi seh  
Seet deh now shi lose are money  
Weh some gyal fail fi understand  
Is that a miss eternity

So it no matter who come or go  
Mi man no waan nobody but me

Mi know mi man, him no stay wid gyal long  
Drive dem out, then park dem like van  
Mi no worry bout AC or fan  
Meck a gyal gwaan blow that are occupation

Won't be long before him come back to Marrian  
Cause a mi best him nearly never have  
Mi no worry bout one night stand  
Cause a mister River is salvation

Mi tell a gyal seh no tek mi man  
Cause him naw go stay wid she  
Shi never listen to a word weh mi seh  
Seet deh now shi lose are money  
Weh some gyal fail fi understand  
Is that a miss eternity

So it no matter who come or go  
Mi man no waan nobody but me

My man him wi lie to yuh  
Like Sizzla Kolonji dry cry to yuh  
Him wi tell yo seh mi left him so him tie to yuh  
Well am the same dam reason him seh bye to yuh  
Yo seet, my man hide and cheat  
Yes a him dem call zoom, zoom, police  
Yo should a lucky seh him stay fi a week  
Because mi find out him run weh like theft

Mi tell a gyal seh no tek mi man  
Cause him naw go stay wid she  
Shi never listen to a word weh mi seh  
Seet deh now shi lose are money  
Weh some gyal fail fi understand  
Is that a miss eternity

So it no matter who come or go  
Mi man no waan nobody but me

Pon the wall of shame a deh so shi go sign are name  
Just true shi waan a couple minutes and fame  
A do mi out but are argument lame  
Mi did tell yuh longtime seh mi man cyaa tame  
What a shame, what a shame, what a shame, woo what a shame
