

# Anxiety

Ladyhawke

I take a pill to help me through the day  
I stay inside until I feel okay

I've always been so cautious  
But I'm sick of feeling noxious  
It's not that I am losing  
This wall of my own choosing

Take me on a ride  
Show me how to hide the voice in my head  
Meet me on the road, tell me all you know  
I'm here on my own

Take me on a ride  
Show me how to hide the voice in my head  
You've got away with my anxiety  
It's yours to take back

I walk alone, I stumble to the beat  
My stack of drums are always on repeat  
You never win when losing is a game  
Inside your head there's no one else to blame

I've always been so cautious  
But I'm sick of feeling noxious  
It's not that I am losing  
This wall of my own choosing

Take me on a ride  
Show me how to hide the voice in my head  
Meet me on the road, tell me all you know  
I'm here on my own

Take me on a ride  
Show me how to hide the voice in my head  
You've got away with my anxiety  
It's yours to take back

You've got away with my anxiety  
It's yours to take back

Take me on a ride  
Show me how to hide the voice in my head  
Meet me on the road, tell me all you know  
I'm here on my own

Take me on a ride  
Show me how to hide the voice in my head  
You've got away with my anxiety  
It's yours to take back
