

# Take It Easy Mama

Ladyhawke

Wake up and wander in  
Punch in your card and win  
Sometimes it feels so hard  
And sometimes the night's so long  
When you're working your tired hands to the bone  
Still working nights and you feel so alone  
Baby's got enough but she's wanting more  
Searching for the light but she's closed the door

Ooh-ooh, ooh-ooh  
Where did it all go wrong?

Take it easy mama (Take it easy)  
You've had enough today  
And you know that life won't go your way  
Slow it down now mama (Slow it down)  
You're working way too hard  
And that life ain't easy anymore

When you were on your own  
The small things seem overblown  
Wondering if the sadness will end but you've been  
Searching high and low for the wrong kind of dream

Ooh-ooh, ooh-ooh  
Where did it all go wrong?

Take it easy mama (Take it easy)  
You've had enough today  
And you know that life won't go your way  
Slow it down now mama (Slow it down)  
You're working way too hard  
And that life ain't easy anymore

Take it easy mama (Take it easy)  
You've had enough today  
And you know that life won't go your way  
Slow it down now mama (Slow it down)  
You're working way too hard  
And that life ain't easy anymore

Take it easy mama  
You've had enough today  
And you know that life won't go your way
