Laidback Luke

Verse 1 (2x):

Can can can
Someone just make me see
Why oh why
Music is my life for me

Can can can
Anyone explain to me
Why oh why
I only watch MTV

Chorus:
Music is emotion
Music is memory
Music brings us together
This music is what we need

Verse 1 again:
Can can can
Someone just make me see
Why oh why
Music is my life for me?

Can can can
Anyone explain to me
Why oh why
I only watch MTV?

Chorus:
Music is emotion
Music is memory
Music brings us together
This music is what we need

Verse 1 again:
Can can can
Someone just make me see
Why oh why
Music is my life for me?

Can can can
Anyone explain to me
Why oh why
I only watch MTV?
