

Breather

Laika

Dead dreams dropping off the heart
Like leaves in a dry season
Dead dreams dropping off the heart
Like leaves in a dry season

How long do I take it
Can I start to change it
You know it's been a long, long time
Can I grow a new skin, can I try to begin again

Dead dreams dropping off the heart
Like leaves in a dry season
Dead dreams dropping off the heart
Like leaves in a dry season

I am always waking, I am always shaking
I think I know this might not end
Can I dry the cold sweat
Get out of this mess again

Dead dreams dropping off the heart
Like leaves in a dry season
Dead dreams dropping off the heart
Like leaves in a dry season

Dead dreams dropping off the heart
Like leaves in a dry season
Dead dreams dropping off the heart
Like leaves in a dry season

Ease into a new box, shoulder a new lot
It's gonna be a long long time
A whirlwind among breezes
Doing what he pleases again

Dead dreams dropping off the heart
Like leaves in a dry season
Dead dreams dropping off the heart
Like leaves in a dry season
