

# Baby Don't Leave Me Alone With My Thoughts

Lake Street Dive

Hard times, hard times  
When I really need somebody to hold me tight  
And tell me I'm strong  
Last night, last night  
You were really there for me, so thank you  
For playin' along

But I gotta be honest with you, baby  
This is not about love  
I gotta be honest with you, baby  
I'm not above  
Usin' you to get me through the night

Baby, don't leave me alone with my thoughts  
I don't wanna get caught in the current of my mind  
Baby, don't leave me alone with my thoughts

An old man, an old man  
Has got his little hands on the button  
Feels like nothin' anyone can do  
People out there are crackin' up, crackin' up  
And I'm just tryin' to keep it together  
Notice that I feel better when I'm holdin' you

But I gotta be honest with you, baby  
This is not about love  
I gotta be honest with you, baby  
You're here to help rid me of  
The demons of the night

Baby, don't leave me alone with my thoughts  
I don't wanna get caught in the current of my mind  
Baby, don't leave me alone with my thoughts

Would you be my human shield?  
Hold you so that I don't feel anything?  
Hold you so that I don't hear the ringin' in my head?

Baby, don't leave me alone with my thoughts  
I don't wanna get caught in the current of my mind  
Baby, don't leave me alone with my thoughts  
I don't wanna get caught in the prison of the present time  
Baby, don't leave me alone with my thoughts

Would you be my human shield?  
Hold you up so that I don't feel anything?  
Would you be my human shield?  
Hold you up so that I don't fear anything?  
Hold you so that I don't hear the ringin' in my head anymore?
