

# I Don't Care About You

Lake Street Dive

Can I tell you that it's too late  
that the rain will pour on in time  
Many times that I ignored you  
and it ain't even crossed your mind  
If you feel the urge to see me  
Well you'd best pretend you're blind  
I don't mean to be unkind  
But all the reasons I left you behind  
They should be clear now

I don't care about you anyway  
No no no  
I don't care about what you've got to say  
No no no  
I don't care about you and I'd say it to your face  
If I knew you could take it

It's been a while, I hear you talkin'  
and it gets me almost every time  
I still feel bad enough about when I didn't listen  
to all the things you feel inside  
In the end it doesn't matter  
who was wrong or who was right  
I can finally sleep at night  
Cause all the reasons I left you behind  
I just have to remember

I don't care about you anyway  
No no no  
I don't care about what you've got to say  
No no no  
I don't care about you anyway  
No no no  
I don't care about what you've got to say  
No no no  
I don't care about you and I'd say it to your face  
if I knew you could take it

No no no  
I don't care about you anyway  
(I don't care about you no no no  
I don't care about you)  
You've got to say  
(I don't care about you no no no  
I don't care about you)  
Anyway  
No no no  
(I don't care about you no no no  
I don't care about you)  
You've got to say  
(I don't care about you no no no)  
No no no  
No no no  
No no no
