

# Lackluster Lover

Lake Street Dive

I'm so good on you, I'm so good on this  
You could tell me you love me and I wouldn't give a shit  
You really missed the mark, you really dampened the spark  
The more you fan the flame, the more it diminishes

Never had I such a lackluster lover  
There's no passion to discover  
You're just a lackluster lover  
Why do I keep going 'round in circles with you?  
Ooh, oh, yeah

Opposites attract, but I think I'll pass  
When you tell me you need me, I'm sure you really do  
But I've had my fill, I don't get no thrills  
This relationship, just shades of beige and blue

Never had I such a lackluster lover  
There's no passion to discover  
You're just a lackluster lover  
You're just a lackluster lover  
There's no truth to uncover  
You're just a lackluster lover  
Why do I keep you around?

(Keep you around, go in circles with you)  
(Goin' 'round, go in circles with you)  
(Goin' 'round, go in circles with you, goin' 'round)

Won't you set me free  
From these chains of unfeeling apathy? (Oh yeah, oh yeah)  
Are you unaware?  
I don't love it when you hold me  
I don't care, I don't care

You're just a lackluster lover  
Yeah, yeah
