

# Red Light Kisses

Lake Street Dive

Everybody's tryin' to track us down  
Drivin' circles 'round this tiny town  
And I get lost, baby  
Tryin' to shake 'em off  
And I get tired  
Wrestlin' with my jealous mind

I don't care if it's a sunny day  
No construction in the passin' lane  
Every light I see is turnin' green to blue  
(What a thing to do)  
Anytime anybody looks at you  
(Won't you put the brakes on my heartache?)

When you're on the go  
You gotta let me know that you love me  
Show me you love me somehow  
You gotta let me know that you love me  
Show me you love me now

When you gimme those red light kisses  
Baby, it's a sure sign you love your mister or missus  
Gimme those red light kisses  
When you gimme those red light, red light

Well, you know I love you 'cause it's what I said (what I said)  
But you know I've got a foot of lead  
And I move along  
Well, I'm not afraid to play the field  
When I'm on the road, no, I don't stop and I don't yield  
(Why do you do this to me, baby?)

When you're on the go  
You gotta let me know that you love me  
Show me you love me somehow  
You gotta let me know that you love me  
Show me you love me  
Oh, show me you love me

(Let me know you love me)  
(Let me know you love me, baby)  
(Let me know, let me know, let me know)  
(Let me know you love me)  
(Let me know you love me, baby)  
(Let me know you love me)

Yeah, everybody's tryin' to track us down  
Chasin' their tails 'round and 'round  
But they're out of luck, baby  
We are skippin' town

And I could cry  
Baby lean into my side  
When we're ridin' together and we get delayed  
I don't mind, baby, just rewind the tape  
We'll play it all over if we get delayed  
Just a couple of feet goes a long, long way

When you gimme those red light kisses  
Baby, it's a sure sign you love your mister or missus  
Gimme those red light kisses  
Baby, it's a sure sign you love your mister or missus  
Gimme those red light kisses  
Baby, it's a sure sign you love your mister or missus  
Gimme those red light kisses  
Baby, it's a sure sign you love your mister or missus  
Gimme those red light kisses  
Baby, it's a sure sign you love your mister or missus
