

Ultraviolet

Lakeside X

If you ever say the story ends
I think I'll understand
If you ever say that's all to give
I think I won't demand

And I feel like
I feel like
Whisper in a vacuum
And I feel like
I feel like
Shadow in a dark room

Shine, so bright
Ultraviolet light
Shine, too bright
Ultraviolet light

Is there any chance to see
Is there any chance for me

You just shine too bright for me
More than any light I see
