

# Winner

Laleh

Let's call it a day, babe  
I think I know what you're trying to say  
Honey, it's fair play  
Why try to win when I know I've lost?  
We don't have to spell it  
I think I know what you're trying to say  
Just 'cause I think this could break me  
It doesn't mean that it will at all  
Love to the lovers  
Hate to the haters  
Love to you, babe  
Do what you have to  
What a shame  
What a loss  
The winner takes  
She takes it all  
What a shame  
What a loss  
But I can see why 'cause she's beautiful  
What a defeat to say the least  
But thank God that love is free  
And maybe it's good for you  
And it's good for me  
Ah-ah, ah-ah, ah-ah-ah  
Ah-ah, ah-ah (Ah-ah)  
Let's call it a day, babe  
I think I know what you're trying to say  
And, honey, you're so right  
There's so much to lose, but so much to learn  
Let's call it a maybe  
But we both know you're already gone  
And just 'cause it feels like I'm breaking  
It doesn't mean I will fall apart  
Love to the lovers  
Hate to the haters  
Love to you, babe  
Do what you have to  
What a shame  
What a loss  
The winner takes  
She takes it all  
What a shame  
What a loss  
But I can see why 'cause she's beautiful  
What a defeat to say the least  
But thank God that love is free  
And maybe, it's good for you  
And it's good for me  
Ah-ah, ah-ah, ah-ah-aah  
Ah-ah, ah-ah, ah-ah-aah  
What a defeat to say the least
