

## Sweet

Lamb

Sunshine takes me to a place where I'm living free  
Something in your eyes is telling me this is where I want to be  
But I never thought it would be so

Sweet, sweet, sweet  
The way you make me feel

It's funny how it just gets sweeter and sweeter day by day?  
It's sweet how you just get funnier to me in every way  
But I never thought it would be so

Sweet, sweet, sweet  
The way you make me feel  
Sweet, sweet, sweet  
I can't believe you're real

It's so rare to find someone who  
Brings on the sunshine the way you do  
It's so

Sweet, sweet, sweet  
The way you make me feel  
Sweet, sweet, sweet  
I can't believe you're real
