

I'll Be Seeing You

Lana Lane

I'll be seeing you
In all the old familiar places
That this heart in mind embraces
All day through

In this moe cafe
The park across the way
The children's carousel
Majestic dream, they wishing well

I'll be seeing you
In every lovely summer's day
In everything that's life gave
I'll always think of you that way
I'll find you in the morning sun
and when the night is new
I'll be looking at the moon
But i'll be seeing you...

(sax solo)

I'll be seeing you
In every lovely summer's day
In everything that's life gave
I'll always think of you that way
I'll find you in the morning sun
and when the night is new...!!!

I'll be looking at the moon
But i'll be seeing... you.....
