

# I Don't Wanna Love You Anymore

LANY

I used to love these sheets  
Dark hair against the white  
I missed watching you get dressed in our hazy bedroom light  
It took a couple weeks  
Last night I finally cried  
I remembered us in London, your chocolate covered eyes

Sick of staring up at the ceiling  
How'd you change your mind just like that?  
The only way to get past this feeling  
Is to tell myself you're not coming back

I don't wanna love you anymore  
I don't wanna love you anymore  
From the start, I never thought, I'd say this before  
But I don't wanna love you anymore

You got that letter framed  
Is it still up on that shelf?  
It's the one I left on our bed  
When you were out of town

Sick of staring up at the ceiling  
How'd you change your mind just like that?  
The only way to get past this feeling  
Is to tell myself you're not coming back

I don't wanna love you anymore  
I don't wanna love you anymore  
From the start, I never thought, I'd say this before  
But I don't wanna love you anymore  
I don't wanna love you anymore  
I don't wanna love you anymore  
I can't forget, the way it felt, when you walked out the door  
So I don't wanna love you anymore

Sometimes I just wanna talk for a minute  
But I can't bring myself to call  
Because I know that your heart's not really in it  
And whatever we had is gone  
Sometimes I just wanna talk for a minute  
But I can't bring myself to call  
Because I know that your heart's not really in it  
And whatever we had is gone

I don't wanna love you anymore  
I don't wanna love you anymore  
From the start, I never thought, I'd say this before  
But I don't wanna love you anymore  
I don't wanna love you anymore (talk for a minute)  
I don't wanna love you anymore  
I can't forget, the way it felt, when you walked out the door  
So I don't wanna love you anymore
