Walk Away

LANY

You and I would be just fine
If I was the one
To stay the day and waste away
But I tend to run

(2x):
I'm too good at leaving love
I'm too good at leaving love
I don't wanna be

It ain't fair, I don't care
Don't know what to say
Say the song, life goes on
I wish I could change

Walk away, walk away (6x)

(4x):
I'm too good at leaving love
I'm too good at leaving love
I don't wanna be (walk away, walk away)
