Låpsley

This is how I'm seeing us go This is how I'm seeing us go I'm higher than I was before Higher than I was before (This is how I'm seeing us go) Higher than I was before Higher than I was before (This is how I'm seeing us go) I set the deal straight But 24/7 a person can't wait I will turn and walk away If you want me to If it's best for you If you want me to I wouldn't say that I was known for doing the right thing I wouldn't say that I was always comfortable in my own skin No I know But I know It's like I'm jumping into a pool that I don't know where the b ottom end is What's the current and I don't know if I am sure of this But I live for the moment My life on the turn when it comes down to this And when I am sure of this And when it comes down to this And when I am sure of this

And when it comes down to this

And when it comes down to this

And when I am sure of this
