

Well I say but you don't listen  
But I say any way  
That these decisions that we made her today  
Slowly decreasing the length of my stay  
Well I say but you don't listen  
But I say any way  
That these decisions that we made her today  
Slowly decreasing the length of my stay  
Of my stay  
I will stay

Take a leap, you don't have to have any faith  
Go back to sleep, animal comes filled with pain  
Take a leap, you don't have to have any faith  
Go back to sleep, animal comes filled with pain

Our way, you don't care but I wait any way  
Think too much, but I just turn it away  
Please don't stop, the tears don't matter in May  
Our way, you don't care but I wait any way  
Think too much, but I just turn it away  
Please don't stop, the tears don't matter in May

Take a leap, you don't have to have any faith  
Go back to sleep, animal comes filled with pain  
Take a leap, you don't have to have any faith  
Go back to sleep, animal comes filled with pain

Take a leap, oh  
Oh-oh-oh  
Back to sleep  
Oh-oh-oh-oh  
Oh-oh-oh  
You don't have...  
Oh-oh-oh  
Oh-oh-oh  
Back to sleep  
Oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh
