

Love Is a Commitment

Larry Norman

I am on the left side you are on the right,
Even if we both disagree I'm gonna love you with all my
might.

Love is not a ballad on the top ten chart
Love is not a virus from Cupid's dart.
Love is not a promise that you tear apart
Love is a commitment heart to heart.

Maybe you feel impoverished but true love can abound
Why don't we expand our love and knock these four walls
down.

Love is not a matter of time and space
Love is not a flower in a golden vase
Love is not a fantasy in silk and lace
Love is a commitment face to face.

I know that you've been hurt before, it's sad to
comprehend
But baby I love you rich or poor, so don't think this
is the end.

Love is not a fire like a burning coal
Love is not a high that you can't control
Love is not a moon and a midnight stroll
Love is a commitment soul to soul.

Love can be a blessing or full of strife

Love burns like a kiss cuts like a knife

Love goes far beyond a man and wife

Love is a commitment life to life.
