

Always Be

LaRue

If you cry, I will cry with you
If you laugh I will laugh with you
If you need a time to talk I'm there
If you want to share your dreams I'll care
And even though I know, that we're far away
I know forever friends we'll stay
And I want you to know, what you mean to me
And I need you to know, that we'll always be
With you I can be myself, I'm like that with no-one else
