

# Waiting Room

LaRue

Time after time, I find myself  
Losing my mind, I have to remind myself  
That this is just a waiting room  
And we're waiting for Your love

Oh, everything will be alright  
And everything will be OK  
If I don't let this world carry me to sin, to sin, to  
sin  
(to sin to sin to sin)

Time after time, I find myself  
Losing my mind, I have to remind myself  
That this is just a waiting room  
And we're waiting for Your love

And I don't understand how  
We could be so blind not to see  
The love that stands in front of  
In front of you and me

Don't doubt He Loves You

Day after day, I find myself  
Looking away, I have to remind myself  
That You're there and I belong to You  
(to you to you to you)

Day after day, I find myself  
Looking away, I have to remind myself  
That You're there and I belong to You  
(to you to you to you)

Day after day, I find myself  
Looking away, I have to remind myself  
That You're there and I belong to You  
(to you to you to you)

He loves me  
He loves you, He loves you, He loves you, He loves me  
He loves you, He loves you, He loves you, He loves me  
(repeat and fade)
