

Alone tonight

Lasgo

I know you're not right for me
You're not who you claim to be
Right now I don't care 'cause it won't get us anywhere
And I like just what I see

I don't wanna be alone tonight [repeat]
I am giving in without a fight
'Cause I don't want to be alone tonight

You know what you gotta say
How to take my breath away
Don't ask how I feel, it's so good it can't be real
But you can't win if you don't play

I don't wanna be alone tonight [repeat]
I am giving in without a fight
'Cause I don't want to be alone tonight
