Time goes by still I care for you Love can be tough, cannot deny it

I have learned and all thanks to you You give and you take, there?s no way around it

I may not know the things I should say Know that my heart is in the right place

Do you still feel the way I do?
Do you still feel the way I do?
I have to know can you forgive me?
I know that we can make it right
If you still feel the way I do

Do you still feel the way I do?
Do you still feel the way I do?
I have to know can you forgive me?
I know that we can make it right
If you still feel the way I do

Can?t rewind the times I've hurt you I was so wrong, I learned it the hard way

I may not know the things I should do Know that my heart is in the right place

Do you still feel the way I do?
Do you still feel the way I do?
I have to know can you forgive me?
I know that we can make it right
If you still feel the way I do

Do you still feel the way I do?
Do you still feel the way I do?
I have to know can you forgive me?
I know that we can make it right
If you still feel the way I do
