

I Can't Decide

Last Dinosaurs

This is where i wait to hear bout where we both lied
On the topics of miserable friends, and hopeless attempts

And yeah i never said
With real feeling
That when our love did blossom
Its deceiving
I should cont the time
It takes yo make up your mind

I can't decideThis is where i think i'm tired of the maze in yo
ur mind
Drawing parallels to fantasy tales that are destined to fail

And yeah i never said
With real feeling
That when our love did blossom
Its deceiving
I should cont the time
It takes yo make up your mind

I can't decideI can't decide, i can't decide
(i'm sorry but our world has finally come to an end)
I can't decide, i can't decide
(i told you that we really shoud have tried to pretend)
I can't decide, i can't decide
(i'm sorry but our world has finally come to an end)
I can't decide, i can't decide
(i told you that we really shoud have tried to pretend)
