

I've tried  
To hide a certain side of me  
Closed eyes  
I'm tired of this reality

I just wanna feel alive  
I'm drifting in space  
But when I'm falling back to Earth  
I'll find out if it hurts

Too many thoughts inside my head  
I guess I'm going crazy instead  
I meant all of the things I said  
I hope one day you will understand

I feel  
I can't just let it go again  
And still  
Time flies and then it slows again

Can you guess what I'm thinking 'bout?  
Oh I know, she knows  
'Cause I'm just trying to figure out  
If I'm meant to let go

I don't wanna know  
If I'm losing control  
I need to know  
How to find my soul  
I don't wanna know  
If I'm losing control  
I need to know  
How to find my soul

Too many thoughts inside my head  
I guess I'm going crazy instead  
I meant all of the things I said  
I hope one day you will understand
