

# From My Heart To Yours

Laura Izibor

From my heart to yours  
I would give you butterflies  
From my heart to yours  
I would give you summertime

From my heart to yours  
Ooh, I'd give you happy time  
From my heart to yours  
I'd give you mine, mmm

And baby I ain't never gonna stop lovin' you  
(No, no, baby)  
You ain't never gonna find a love so true  
(No, it would be crazy)  
And baby can you break it down just for me like this?  
And understand, ah

From my heart to yours  
I give you my soul  
And there's no denyin' our love is real  
From my heart to yours  
From my heart to yours

Well, from my heart to yours  
I would give you everything, everything  
From my heart to yours  
I'd make the birds sing, yeah yeah

From my heart to yours  
Don't you worry 'bout a thing  
From my heart to yours  
I'd give you mine

It doesn't matter where I go or what I see, you're home  
You're the only thing important to me, with you I belong  
And baby I never felt this good before

From my heart to yours  
I give you my soul  
And there's no denyin' our love is real  
From my heart to yours  
From my heart to yours

I need you baby  
And I cannot live without you baby  
I need you with me

From my heart to yours  
I give you my soul  
And there's no denyin' our love is real  
From my heart to yours

From my heart to yours  
I give you my soul  
And there's no denyin' our love is real  
From my heart to yours  
From my heart to yours
