

# The Worst Is Over

Laura Izibor

This too will pass  
What you feel inside won't last  
I know how you're feeling  
I've been there before  
He broke your heart  
And left you crying  
All the while he was lying

Gave him your body  
Gave him your soul  
Gave him your mind  
And your secrets you told for nothing  
But the worst is over now

Seems there's no end  
To what you're feeling  
Inside you're screaming  
He's no good for you, baby you know it  
Says he loves you but he can't show it  
Is this really what you want

Gave him your body  
Gave him your soul  
Gave him your mind  
And your secrets you told for nothing, baby  
But the worst is over now

It's hard loving somebody  
You know is bad for you  
Try walking away  
There ain't nothing you can do  
You keep a-walking  
He'll keep a-talking you ?round again  
This time you gotta leave him behind  
And you've said goodbye and that means  
The worst is over now
