

# Me and the Mistletoe

Laura Marano

Favorite holiday playlist  
We both sing with  
Then we hang up the phone  
Classic movies through FaceTime  
We say all the lines  
But here I am home alone

Yeah, I'm sick of all this talking  
And I need you here with me  
Just wanna hang your stocking  
Right beside my Christmas tree

Right by my Christmas tree

Me and the mistletoe just missing a kiss, enough of this (enough)  
Atlantic to pacific, I'll go the distance to spend this Christmas  
Next to you  
Next to you  
This Christmas  
Next to you  
Next to you  
This Christmas

Santa give me some miles  
Frequent flyer  
Or maybe your sleigh  
Please just get me there faster  
I spent last year  
With my baby far away

Yeah, I'm sick of all this talking  
And I need you here with me

Just wanna hang your stocking  
Right beside my Christmas tree

Right by my Christmas tree

Me and the mistletoe just missing a kiss, enough of this (enough)  
Don't care about logistics, I'll go the distance to spend this Christmas  
Next to you  
Next to you  
This Christmas  
Next to you  
Next to you  
This Christmas

There's nobody  
I'd rather be  
Next to than you  
I know you'll be here  
To ring in the year  
But I can't wait that long  
If I don't have to

Me and the mistletoe just missing a kiss, enough of this (enough)  
Atlantic to pacific, I'll go the distance to spend this Christmas

Next to you  
Next to you  
This Christmas  
Next to you  
Next to you  
This Christmas
