

# Play My Song

Laura Marano

I know you're thinking that you know me  
I know you're thinking I'm too young  
To know myself and what's inside me  
Only if the music runs

You're asking me what makes me happy  
You're asking me what makes me smile  
Just put that record on repeat, babe  
And let it spin for a little while

I wanna hear you play my song  
I wanna hear it all night long  
And if it ever ends  
We'll hit it up again

I'll tell you what I want

I-I-I wanna hear you play my song  
I wanna hear it all night long  
And if it ever ends  
We'll hit it up again

I'll tell you what I want

I wanna hear you play my song

I wanna hear you play my song

You make me go a little crazy  
I can't get you out my head  
Don't think you're ever gonna change me  
My lights are never turning red

I wanna hear you play my song  
I wanna hear it all night long  
And if it ever ends  
We'll hit it up again

I'll tell you what I want

I-I-I wanna hear you play my song  
I wanna hear it all night long  
And if it ever ends  
We'll hit it up again

I'll tell you what I want

I wanna hear you play my song

I wanna hear you play my song

You're asking me what makes me feel good  
You're asking me what drives me wild  
Just put that record on repeat, babe  
And let it go for miles and miles (and miles)

I wanna hear you play my song

I wanna hear it all night long  
And if it ever ends  
We'll hit it up again

I'll tell you what I want

I wanna hear you play my song  
I wanna hear it all night long  
And if it ever ends  
We'll hit it up again

I'll tell you what I want

I wanna hear you play my song

I wanna hear you play my song

I wanna hear you play my song

Play my Song  
I wanna hear it all night long (I wanna hear you play my song)  
And if it ever ends  
We'll hit it up again

I'll tell you what I want

I wanna hear you play my song
