

Gardenia Talk

Laura Nyro

Gardenia talk

It's spring

Gardenia talk

It must be spring

Oh oh oh oh

Maybe

I'd like to know you

Struck by the poetry

I know it's not the time to show you

I may know you in my dream

You never hear me

Talk the talk

Talk the talk of love

Swoon like a teenager

Oh

Gardenia talk ooh ooh ooh

Gardenia talk ooh ooh ooh

Are you just some sweet stranger?

I only met you on the bus to springtime

Now I'm struck by a fantasy

If there's something I can do

With this dream

Fills the darkness like the sea

That's where I heard you

Talk the talk

Talk the talk of love

Swoon like a teenager

Oh

Gardenia talk ooh ooh ooh

Gardenia talk ooh ooh ooh

Am I just some sweet stranger?

Gardenia talk

It's spring

Gardenia talk

It must be spring

Gardenia talk

Meltin' everything

Ooh la la la ooh ooh ooh

Ooh la la la ooh ooh ooh

Are you just

Are you just

Are you just some sweet stranger?

Ooh la la la ooh ooh ooh

Ooh la la la ooh ooh ooh

Gardenia talk ooh ooh ooh

Gardenia talk ooh ooh ooh
