

# Luckie

Laura Nyro

Yes, I'm ready, so come on, Luckie

Well, there's an avenue of Devil who believe in stone  
You can meet the captain at the dead-end zone  
What Devil doesn't know is that Devil can't stay  
Doesn't know he's seen his day

Oh, Luckie's taking over and his clover shows  
Devil can't get out of hand  
'Cause Luckie's taking over  
And what Luckie says goes

Dig them potatoes  
If you've never dug your girl before  
Poor little Devil, he's a backseat man  
To Luckie forever more

Yes, I'm ready, so come on, Luckie  
Luckie inside of me, inside of my mind, inside of my mind

Don't go falling for Naughty  
Don't go falling for Naughty  
He's a dragon with his double bite  
Sure can do his shortchanging out of sight  
An artist of a sort but a little bit short of luck, this lucky night

Oh, Luckie's taking over and his clover shows  
Devil can't get out of hand  
'Cause Luckie's taking over  
And what Luckie says goes

Dig them potatoes  
If you've never dug your girl before  
Poor little Naughty, he's a backseat man  
To Luckie forever, a backseat man  
To Luckie, hey, hey, hey  
It's a real good day to go get Luckie, go get Luckie

I'm gonna go get Luckie  
I'm gonna go get Luckie  
I'm gonna go get, I'm gonna go get  
I'm gonna go get Luckie

You gotta go, get on down, let 'em get away  
You gotta go, get on down, let 'em get away  
You gotta go, get on down, let 'em get away, yeah from you

Yeah yeah, from you, yes,  
Yes, I'm ready, yes, I'm ready, ready for Luckie
