```
Yes, I'm ready, so come on, Luckie
```

Well, there's an avenue of Devil who believe in stone You can meet the captain at the dead-end zone What Devil doesn't know is that Devil can't stay Doesn't know he's seen his day

Oh, Luckie's taking over and his clover shows Devil can't get out of hand 'Cause Luckie's taking over And what Luckie says goes

Dig them potatoes

If you've never dug your girl before

Poor little Devil, he's a backseat man

To Luckie forever more

Yes, I'm ready, so come on, Luckie Luckie inside of me, inside of my mind, inside of my mind

Don't go falling for Naughty
Don't go falling for Naughty
He's a dragon with his double bite
Sure can do his shortchanging out of sight
An artist of a sort but a little bit short of luck, this lucky night

Oh, Luckie's taking over and his clover shows Devil can't get out of hand 'Cause Luckie's taking over And what Luckie says goes

Dig them potatoes

If you've never dug your girl before

Poor little Naughty, he's a backseat man

To Luckie forever, a backseat man

To Luckie, hey, hey

It's a real good day to go get Luckie, go get Luckie

I'm gonna go get Luckie
I'm gonna go get Luckie
I'm gonna go get, I'm gonna go get
I'm gonna go get Luckie

You gotta go, get on down, let 'em get away You gotta go, get on down, let 'em get away You gotta go, get on down, let 'em get away, yeah from you

Yeah yeah, from you, yes, Yes, I'm ready, yes, I'm ready, ready for Luckie
