

## Sexy Mama

Laura Nyro

Strange...

Come on, baby, let me put my arms around you;  
Come on, sugar baby, I'm so happy that I found you...  
I wanna open up the love gates, put our love in motion;  
I think in just a moment, there's gonna be a love explosion...  
I can't help myself - I feel like I'm dreamin'...  
Ooh, hoo, hoo...  
None sweeter than you, baby...  
You...

Give it to me, now, baby...

You said, "Come on, sexy mama - lay back and let me soothe you;  
Take it easy, baby - let me do what I love to do to you...  
I wanna open up the love gates, and put our love in motion;  
I think in just a minute, there's gonna be a love explosion...  
I can't help myself - I feel like I'm dreamin'...  
Ooh, hoo, hoo...  
None sweeter than you, baby...  
You..."

Give it to me, now, baby... Ooh, that love explosion...  
Gonna be a love explosion...  
Ooh, that love... explosion...
