

# The Wind

Laura Nyro

Wind  
Wind  
Blow Wind  
Wind  
Blow Wind  
Wind  
Blow Wind  
When the cold summer wind  
wind blow wind (background)  
Sends a chill down my spine  
wind blow wind (background)  
And I long for my lover deep within  
wind blow wind (background)  
I know he has gone  
wind blow wind (background)  
Though my love lingers on  
wind blow wind (background)  
In a dream that the wind  
wind blow wind (background)  
Blows to me  
wind blow wind (background)  
I remember the wind  
In the cool summer night  
As he lay warm and tender in my arms  
Blow Wind  
Blow Wind  
Oooooo Oooooo  
Oooooo Oooooo  
Oooooo Oooooo  
Blow Wind
