

Love Is Here

Laura Story

The winds have changed we're blowing on the hillside,
As heaven whispered love is on his way,
All creation held its breath in great anticipation,
As a million angels filled the sky,
As death and darkness ran to hide

There is a new song filling up the dark,
There is a new hope filling every heart,
There is a new song rising over the world,
O-o-o-o-oh love is here,
There is a new joy running through the streets,
All of earth and heaven join to sing,
O-o-o-o-oh love is here

The shepherds and the Kings were all invited,
God with us has called us all to come,
Gathered round the word made flesh we bring our gifts to worship,
Jesus Christ the long awaited King,
Our savior come to set us free

There is a new song filling up the dark,
There is a new hope filling every heart,
There is a new song rising over the world,
O-o-o-o-oh love is here,
There is a new joy running through the streets,
All of earth and heaven join to sing,
O-o-o-o-oh love is here

For unto us a child is born,
Unto us a son is given,
Unto us a child is born unto us

For unto us a child is born,
Unto us a son is given,
Unto us a child is born unto us

There is a new song filling up the dark,
There is a new hope filling every heart,
There is a new song rising over the world,
O-o-o-o-oh love is here,
There is a new joy running through the streets,
All of earth and heaven join to sing,
O-o-o-o-oh love is here

Unto us a child is born
Unto us a child is born
