

# Nearness

Laura Story

Breath of God, steady my soul  
In thee hours when I feel alone  
I will lift weary eyes to you, oh Lord

When I can't find answers I seek  
When my faith feels weathered and weak  
I will call with feeble voice to you, oh Lord

Cause it's what I know of You that soothes me  
Your word that's holding true that moves me

To let go  
Trusting all I ever need to know  
Is Your nearness  
My hope  
What holds me in the valley  
Is the promise of Your nearness

When my plans  
Are leveled to dust  
When I'm tempted by lesser loves  
I will cling with all my strength to you, oh Lord

Cause it's what I know of You that soothes me  
Your word that's holding true that moves me

To let go  
Trusting all I ever need to know  
Is Your nearness  
And my hope  
What holds me in the valley  
Is the promise of Your nearness

It's not the answers that You give  
That makes my heart be still  
It's not the mountains that You move  
It's simply resting Lord in You

I can let go  
Cause all I ever need to know  
Is Your nearness  
And my hope  
What holds me in the valley  
Is the promise of Your nearness

You're all I ever needed  
You're all I ever needed  
All I ever needed  
Is Your nearness  
Breathe of God  
Steady my soul  
In the hour when I feel alone  
I will lift weary eyes to You, oh Lord
