

# Not My Life

Laura Story

Every hour, every day  
Let every moment be for Your praise  
All for You

All my hopes, all my dreams  
Let every breath that I breathe be  
All for You

This is not my life  
It is Yours, it is Yours  
This is not my heart  
It is Yours, it is Yours  
I surrender all I am  
Place my life into Your hands  
Jesus, I am Yours  
I am Yours

Be the passion of my heart  
Fully abandoned to who You are  
All for You

This is not my life  
It is Yours, it is Yours  
This is not my heart  
It is Yours, it is Yours  
I surrender all I am  
Place my life into Your hands  
Jesus, I am Yours

This is not my life  
It is Yours, it is Yours  
This is not my heart  
It is Yours, it is Yours  
I surrender all I am  
Place my life into Your hands  
Jesus, I am Yours

It's Your glory, your glory  
It's what I live for  
Your glory and not my own

It's your glory, your glory  
It's what I live for  
Your glory and yours alone

It's Your glory, your glory  
It's what I live for  
Your glory and not my own

It's your glory, your glory  
It's what I live for  
Your glory and yours alone

This is not my life  
It is Yours, it is Yours  
This is not my heart  
It is Yours, it is Yours

I surrender all I am  
Place my life into Your hands  
Jesus, I am Yours

This is not my life  
It is Yours, it is Yours  
This is not my heart  
It is Yours, it is Yours  
I surrender all I am  
Place my life into Your hands  
Jesus, I am Yours  
I am Yours  
I am Yours  
For Your glory  
Your glory  
For Your glory  
Your glory  
I am Yours
