

You Came Running

Laura Story

Dreams dashed on a rocky shore
And the plans I have made came crashing through the floor
Heartbreak on this winding road
And the pieces I had gathered couldn't... upon their own
But the God of all comfort and the Prince of the peace came running
You came running
You saw what was shattered in the depths of my need
You came running
You came running to me
Hope found in the midst of pain
Though this world is surely fading, my God you will remain
My greatest joy my soul refrain
For me to live is Christ and to die is only gain
For me to live is Christ and to die is only gain
The God of all comfort and the Prince of the peace came running
You came running
You saw what was shattered in the depths of my need
You came running
You came running
Over and over You run after me
Over and over the pieces redeemed
Over and over Your mercies I see
The God of all comfort and the Prince of the peace came running
He came running
You saw what was shattered in the depths of my need
You came running
You came running
You came running
You came running to me
