

Toe

Laura Veirs

I don't know why I cannot cry
And I don't know why
So I'll not try

I know that you
Truly have you
I must have let you go
If my heart was my toe
I'll try not to show
That you'll just stub the hell out of it
And you'll just stub the hell out of it

And I don't know why I cannot cry
And I don't know why
So I'll not try
