

Woman's Song

Lauren Christy

See my face in the mirror and it's changing everyday
So I sing this woman's song, oh woh

This is the man who made me cry
Pretended he loved me then said goodbye
This is the man who loved me so
But I didn't love him so let him go

And, oh, but I feel so ashamed
But now I know how much I've gained by

This woman's song
The good, the bad, the sadness, it can make you strong
This woman's song
There's a method in my madness so I'll carry on
This woman's song

This is the man who rocked the boat
Yeah, I never know how I stayed afloat
And this is the man who gave the ring
Sure knew how to make my heart sing

And, oh, but I feel so ashamed, so ashamed
But now I know how much I've gained by

This woman's song
The good, the bad, the sadness, it can make you strong
This woman's song
There's a method in my madness so I'll carry on
This woman's song

See my face, in the mirror
Well, it's changing everyday
So I sing this woman's song
Everything that I did wrong
Gonna throw it all away

This woman's song
The good, the bad, the sadness, it can make you strong
This woman's song
There's a method in my madness so I'll carry on

This woman's song
The good, the bad, the sadness, it can make you strong
This woman's song
There's a method to my madness so I'll carry on
This woman's song

This woman's song
