

In Our Sleep

Laurie Anderson

In our sleep as we speak
Listen to the drums beat
As we speak

In our sleep as we speak
Listen to the drums beat
In our sleep

In our sleep as we speak
Listen to the drums beat
As we speak

As we speak in our sleep
Listen to the drums beat
In our sleep

In our sleep as we speak
Listen to the drums beat
As we speak

In our sleep as we speak
Listen to the drums beat
In our sleep

In our sleep where we meet
In our sleep where we meet
