

Open Your Heart

Lavender Diamond

Well the streets are low when you have to go
Where are you runnin' to?
Where are you runnin' to?

Well the streets are low when you have to go
Where are you runnin' to?
Where are you runnin' to?

Open your heart
Tear it apart
Open your heart
Tear it apart

Well the streets are low when you have to go
Where are you runnin' to?
Where are you runnin' to?

Well the streets are low when you have to go
Where are you runnin' to?
Where are you runnin' to?

Open your heart
Tear it apart
Open your heart
Tear it apart

Well the streets are low when you have to go
Where are you runnin' to?
Well the streets are low when you have to go
Where are you runnin' to?

Open your heart
Tear it apart
Open your heart
Tear it apart
