

# Voodoo Voodoo

LaVern Baker

I thought I was a snake, I started crawlin' on the  
Ground  
I thought I was a dog, I started barkin' like a hound  
I thought I was coyote, howlin' at the moon  
Stumblin' and a fumblin' like a flip mighty goon

He done voodoo-doodoo-ed me  
He done voodoo-doodoo-ed me  
Just about as mixed up as a girl could be  
He done a voo-voovoo-voovoo voodoo-ed me

If he couldn't have me all for hisself  
I wouldn't be any good for nobody else  
I kinda think he meant every word he said  
Sprinklin' the oogly all under my bed

He done voodoo-doodoo-ed me  
He done voodoo-doodoo-ed me  
Just about as mixed up as a girl could be  
He done a voo-voovoo-voovoo voodoo-ed me

Well, he took a little box from out of nowhere  
A tooth in the box and little lock of hair  
He had a leopard spots and neck of giraffe  
He had a zebra's stripes and a hyena's laugh

He done voodoo-doodoo-ed me  
He done voodoo-doodoo-ed me  
Just about as mixed up as a girl could be  
He done a voo-voovoo-voovoo voodoo-ed me

He done voodoo-doodoo-ed me, yeah  
He done voodoo-doodoo-ed me, ah-ha  
Just about as mixed up as a girl could be  
He done a voo-voovoo-voovoo voodoo-ed me
