

Blasphemous Rituals for the Perverted Flesh

Lay Down Rotten

Deep inside...

A monstrous Longing risen from the devastating Darkness.

Blasphemous Rituals, perverted Flesh.

My Soul died A Millon Deaths.

Blasphemous Rituals.

Awake, I'm dying, the Fires of Hell.

Underneath, where the Dead lie in Shame.

Underneath, bleed all over me.

Let me drink the Bitterness.

Hell in clear Sight, another Fever Scene.

Taken by the Light, dead to the World.

The winged Aggressor, in Silence remember the Words.

Lucifer's last Refuge, where the Worms breed.

Taken by the Light, dead to the World.

False Belief.

False Belief.

False Belief.

Kingdom of the lost Wisdom.

Overtaken by A Desire to quench this Thirst.

I suffer.

I Am in Pain.

Through the Carnage to A greater Tragedy.

Grotesque Manifestation of A lying Man.

Hellbound.

Hellbound.

Hellbound Am I.

Grim Reckoning.

I carve these Words with hellish Pride into your Bones.

Taken by the Light, dead to the World.

The winged Aggressor, in Silence remember the Words.

Lucifer's last Refuge, where the Worms breed.

Taken by the Light, dead to the World.

Deep inside...

A monstrous Longing risen from the devastating Darkness.

In the Emptiness of A forgotten Grave.

Baptize the Unborn.

The Sinner shall confess, fallen, drowning in Regrets.

The Deceit of Weakness failed again.

Blasphemous Rituals, perverted Flesh.

My Soul died A Millon Deaths.

Blasphemous Rituals.

Awake, I'm dying, the Fires of Hell.
