

Deathspell Catharsis

Lay Down Rotten

Advancing once more.
Lost in A dying World.
Bloodhounds on my Trail.
The Horrors I dread revealed again.

Deathspell Catharsis.
Martyrium Omnium Maiestatis.
Nocturnal March towards Megiddo.
Per Omnia Saecula Saeculorum.

Beneath the Cry of Redemption.
Await the Day of blackened Breath.
Skeletal Earth bound in Sin and Shame
Resurrected from the foul Stench.

Deathspell Catharsis.
Martyrium Omnium Maiestatis.
Nocturnal March towards Megiddo.
Per Omnia Saecula Saeculorum.

Abolish life once and for all.
The Urge comes in spectral Waves.
Sublime and yet so cold.
Above Underworld.
Beyond the sane diminished Deception.
Spread among our Lines.
The Fall of Time will bury all in Darkness.

God of Gods!
Reveal yourself to me.

God of Gods!
Reveal yourself to me.

Deathspell Catharsis.
Martyrium Omnium Maiestatis.
Nocturnal March towards Megiddo.
Per Omnia Saecula Saeculorum.

A million Ways to die.
Only one to stay alive.
Pathetic Tragedy is revealed for the Soulless.
The Fall of Time will bury all in Darkness

God of Gods!
Reveal yourself to me.

God of Gods!
Reveal yourself to me.

God of Gods!
Reveal yourself to me.
