

Infernal Agony

Lay Down Rotten

Triumphant... Oh Lord.
Embraced by Darkness, I follow thee.
Lifeless purification in sacrificial Blasphemy.
I know thy Name carved deep into Flesh.
My Soul will rise for your precious Rapture.
I will weep eternally for your Glory.

Infernal Agony.
Submission for infernal Agony.
For your Glory.
Infernal Agony.
Submission for infernal Agony

Oh, how I long for your coming!
Reveal thy Will to me.

Superior Domination, Warlord Lucifer.
Take my Will, guide me until the End.
I scream to the blood red Skies.
In this unforgiving Night.
Forced into this World.

All will end, all has to die.
In Death we shall see.
What we've denied unleashed the ravenous Fury.
On sacred Ground they will all die.

They will all die.

Infernal Agony.
Submission for infernal Agony.
For your Glory.
Infernal Agony.
